

John A. Weinberg

John Weinberg is an Associate Research Officer at the Federal Reserve Bank of Richmond. He received a B.A. from the University of Pennsylvania and his Ph.D. in Economics from the University of Minnesota. Prior to joining the Richmond Fed, he served on the faculty of the Krannert School of Management at Purdue University. He has also taught courses on financial markets and institutions at the College of William and Mary's School of Business. His published and ongoing research includes work on the theory of financial institutions and on the industrial organization of markets facing technological change.
